

FOR IMMEDIATE RELEASE

GAGetrak Now Available in Spanish

Phoenix, Arizona - October 1, 2010

CyberMetrics Corporation's Quality Management Division (QMD), a leading developer and provider of calibration management and supplier quality assurance solutions, is proud to announce that to better serve our Mexican and Latin American clients, CyberMetrics has developed Spanish versions of the GAGetrak software and technical documents.

Additionally, plans are underway to open a CyberMetrics office in Mexico in 2011 in order to provide local support to our large number of Mexican clients.

About CyberMetrics Corporation

Founded in 1988, CyberMetrics Corporation is a leading provider of calibration, supplier quality, and asset maintenance management software and solutions. CyberMetrics' diverse customer base includes thousands of corporate sites worldwide as well as hundreds of well-known Fortune 1000 clients spanning most industries, including: automotive, pharmaceutical, aerospace, electronics, petrochemical, food and beverage, education, government and defense.
